

Master-Tube Insulation

PUR insulating tubing, a highly flexible and robust protective tubing for the reliable protection of cables and wires against mechanical damage; halogen-free, temperature-resistant up to 125°C

very flexible

Product Details

Properties

- Chemical Properties: good resistance to oil, good UV resistance, good ozone resistance, plasticiser-free
- Flexibility: very flexible
- Physical Properties: good dielectric properties, moisture resistant

Operating Temperature

- Temperature Range: -40to 125°C

Application Areas

- Areas of application: Plant & Mechanical Engineering, Industry

Disposal instructions

After use, the product must be disposed of in accordance with the legal regulations applicable in the user's region (in Germany in accordance with the applicable Waste Catalogue Ordinance (AVV)).
